3. Remember that time I was so obsessed with Doctor Who, and I found out you had watched it too? We discussed shipping. Your favorite was 11+Rory, and you called Amy a bitch. Later I found you only meant that she was ruining your ship, but I told you off anyways because Amy is a cinnamon bun.

4. Remember that time I drew a potato with funny eyes, and you encouraged me to keep going? It ended in the form of King Potato Pete the Third.

5. Remember all those times I vented to you, and you comforted me? I archived all your emails for days when I felt so miserable. You saved me from worlds of pain.
